In accordance with statutory provisions, there will be no resolution in respect of agenda item 1, as the Supervisory Board has already approved the annual financial statements and the consolidated financial statements.*

### **2. Resolution on the appropriation of net profit for the fiscal year from October 1, 2017 to September 30, 2018**

The Management Board and the Supervisory Board propose that the following be resolved: The net profit of EUR 20,213,410.81 achieved in the fiscal year from October 1, 2017 to September 30, 2018 will be used as follows:

▪ Distribution of a dividend of EUR 0.60 per eligible share for 8,331,459 shares, in total	EUR 4,998,875.40
▪ Remaining amount to be carried forward to new account	EUR 15,214,535.41

Treasury shares held by the company are not eligible for dividend payment pursuant to § 71b AktG. The aforementioned proposal on the appropriation of net profit takes into account 17,541 treasury shares held directly or indirectly by the company at the date of notification of the convening of the Annual General Meeting in the Electronic Federal Gazette. The Management Board and the Supervisory Board propose that the acts of the members of the Supervisory Board of DATAGROUP SE for the fiscal year from October 1, 2017 to September 30, 2018 be ratified for this period.

**5. Resolution on the authorisation of a change to the Regulated Market**

The Management Board and the Supervisory Board consider that the company should be allowed to apply for a change of stock market segment from the open market to the regulated market, either in the General Standard or in the Prime Standard segment of the Frankfurt Stock Exchange, and to take the necessary measures for the preparation of the stock market listing. According to the Management Board and the Supervisory Board, such a change of segment would significantly increase the acceptance of the company among investors and considerably improve the possibilities for raising equity and/or external capital at the capital market. This would open new possibilities for action for the company, which will benefit the company and its shareholders.

The Management Board and the Supervisory Board therefore propose to pass the following resolution:

The Management Board shall be authorised to apply for admission of the shares of DATAGROUP SE for trading on the regulated market, either in the General Standard or in the Prime Standard segment of the Frankfurt Stock Exchange, within fourteen months from the date of this resolution and to take the necessary measures for the preparation of the stock market listing.

**6. Resolution on the election of the auditors for the 2018/2019 fiscal year**

- be elected as auditors for the company and the Group for the 2018/2019 fiscal year and
- as auditors for any required audit review of interim financial reports pursuant to §§ 115 et seq WpHG for the 2018/2019 and 2019/2020 fiscal years before the next Annual General Meeting provided the standards above are applicable to the company.

**Condition for attending the Annual General Meeting and for exercising voting rights**

With a view to the transparency of DATAGROUP SE and as a service for the company's shareholders, the following section does not only contain the information required by law but also additional information in line with the requirements for stock-listed companies.

## **Capital stock and voting rights**

At the time of convening this Annual General Meeting, the capital stock of the company comprised 8,349,000 no-par bearer shares. Each share entitles the bearer to one vote. The total number of voting rights amounts to 8,349,000.

At the time of convening the Annual General Meeting, the total number of shares comprised 17,541 treasury shares from which the company has no rights.

## **Participation in the Annual General Meeting**

Pursuant to § 17 para. 1 to 3 of the Articles of Association only those persons may participate in the Annual General Meeting and exercise voting rights, who have registered to this in a timely manner and have provided the evidence of their share ownership issued in text form by their custodian financial institution to the company under the following address:

DATAGROUP SE  
c/o Landesbank Baden-Württemberg  
4035/H Hauptversammlungen  
Am Hauptbahnhof 2  
70173 Stuttgart  
Fax: +49 711 127 79264  
or via email at: HV-Anmeldung@lbbw.de

Evidence of share ownership must refer to the beginning of the 21st day prior to the Annual General Meeting, i.e. February 21, 2019 (00:00 AM CEST), and must be received by the company together with the registration at the above address at least six days prior to the meeting, i.e. no later than March 7, 2019 (00:00 AM CEST). Evidence in text form issued by the custodian financial institution shall suffice as proof of share ownership. After due receipt by the company of the evidence of your share ownership, admission tickets for the Annual General Meeting will be sent to the shareholders. Shareholders are requested to arrange for the timely dispatch of their evidence to the company to ensure that the tickets are received in good time.

Registration and evidence of share ownership must be in German or English.

### **Explanation on the significance of the record date:**

The record date is the crucial date for the scope and exercise of attendance and voting rights at the Annual General Meeting. In relation to the company, only those who have provided proof of share ownership on the record date are regarded as shareholders for attendance at the Annual General Meeting or for the exercise of voting rights. Changes in share ownership after the record date are of no significance to this. Shareholders who did not acquire their share until after the record date may not attend the Annual General Meeting in their own right. Shareholders who have duly registered and provided proof are entitled to attend the Annual General Meeting and to exercise their voting rights even if they sell the shares after the record date. The record date has no effect on the ability to sell shares and is no relevant date for an entitlement to dividends.

### **Voting by proxy**

Shareholders can have their voting rights exercised by a proxy, e.g. a bank or a shareholders' association. Proxy authorisations, the revocation thereof and proof of authorisation vis-à-vis the company must be in text form. Granting of a proxy and proof thereof is possible by using the proxy form downloadable from the company's website. A proxy form is also printed on the reverse side of the admission ticket which will be sent to the shareholders pursuant to the registration formalities and deadlines outlined above and will also be sent to the shareholders upon their request. Exemptions from the text form requirement may exist for banks, shareholders' associations, or equivalent persons or institutions, c.f. § 135 AktG, § 125 (5) AktG. We therefore ask that our shareholders coordinate with banks, shareholders' associations, or equivalent persons or institutions regarding the form of powers of attorney granted to them.

Proof of proxy can be submitted to the company's following contact details by mail, fax or email:

DATAGROUP SE  
Team Hauptversammlung  
Wilhelm-Schickard-Straße 7  
72124 Pliezhausen  
Fax: 07127 970 033  
Email: [hv@datagroup.de](mailto:hv@datagroup.de)

The company also offers its shareholders to appoint a proxy nominated by the company. These proxies are obligated to vote as instructed. The issuance and revocation of a power-of-attorney as well as the proof of authority vis-à-vis the company requires text form. We ask you to use the downloadable proxy form from the company's website to appoint a proxy. Please note that the proxy representatives of the company can only vote your shares on agenda items on which you have given voting instructions. The power of attorney to the proxies must be received by the company no later than March 12, 2019 at the close of 6.00 PM CET, either as a signed original sent to the company's postal address below or by telefax or by email as a scanned document to the contact details above. Subsequent to the deadline mentioned above, shareholders may only give authorisations and instructions to company proxies by filling in the form handed out at the entrance to the Annual General Meeting and returning it at the dedicated counter by the end of the general debate.

We would like to point out that proper registration and proof of share ownership in text form are also required when authorising someone else. If a shareholder authorises more than one person the company may deny entrance to one or more of these persons.

**Additional agenda item proposals pursuant to Art. 56 (2) and (3) of the Council Regulation (EC) No. 2157/2001 of October 8, 2001 on the Statute for a European company (SE Statute) and § 50 (2) of the German SE Implementation Act (SEAG), § 122 (2) AktG**

Shareholders whose shares together total the amount of one twentieth or a share of EUR 500,000 of the capital stock may request items to be added to the agenda and publicised. Reasons or a resolution proposal must be attached to each new agenda item. The additional agenda item proposals must be submitted in writing to the Management Board of the company and must be received by the company by no later than 24 days prior to the meeting, i.e. by February 17, 2019 (00:00 AM CET). Please submit corresponding requests to:

The shareholder right of information also includes legal and business relationships of the company with an affiliated company.

Shareholders are kindly requested to send their questions to the above address as early as possible to ensure that they can be properly answered. This is no formal requirement for a response. Shareholders' right to information remains unaffected by this.
