Dual Growth Strategy

- Growth through new customer acquisition
 - Market potential: around 5,000 potential CORBOX customers in the segment of 100 - 5,000m € revenue p.a. in Germany
- Growth from upselling existing customers
 - Ca. 10m € increase p.a.
- Growth from M&A activities
 - 2-3 new acquisitions per year on average

New Management Ambition by 25/26: Revenue of € 750M

Our ambition by 25/26:

- Revenue of € 750m
- from 22/23:
- > 15% EBITDA
- > 9% EBIT

- Min. revenue development
- Max. revenue development
- Generated total revenue

Fiscal year from 01.10. to 30.09.

Guidance und Ambition

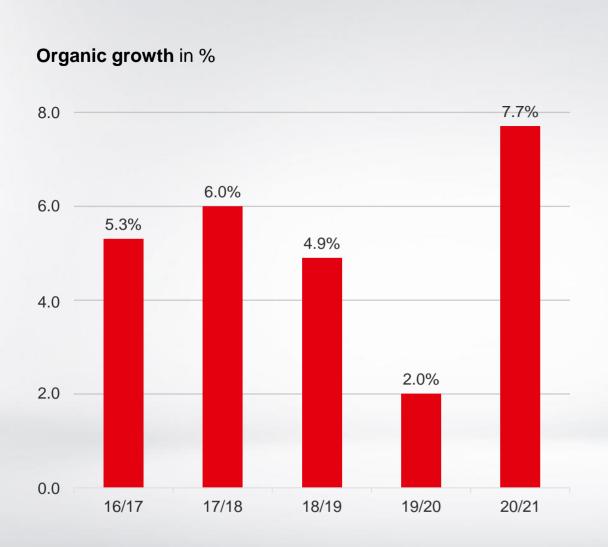

- EBIT guidance: € 39 42m
- Medium-term EBIT target: 9%
- Measures to achieve the objective
 - Reduction of capex and depreciation (AfA)
 - Absolute and relative reduction in rental expenses and depreciation (AfA) due to reduction in office space as a result of the Covid pandemic.
 - Profitabilization of currently underperforming subsidiaries DG BIT Düsseldorf (prev. DG FIS) and DG Ulm
 - Growing degree of digitalization and automation of our services leads to higher efficiency

Return to Strong Organic Growth

 Organic growth planned to be increased in the medium term

End of Investment Cycle – Depreciation Returns to Normal

- Increased investment activity since 2017/18
 - Acquisition of IKB Data (today DATAGROUP BIT Düsseldorf) in August 2017 triggers platform investment in second Data Center location in Düsseldorf
 - Streamlining of organization and consolidation of production and production units
 - Centralization of locations, e.g. in Hamburg

Our Most Recent Acquisition: Hövermann IT

- Acquisition of 100 % of the shares in Hövermann IT, consisting of Hövermann IT-Gruppe GmbH, Hövermann ERP Consulting GmbH, and Hövermann Rechenzentrum GmbH with headquarters in Ibbenbüren
- Hövermann is running its own data center and has acknowledged expertise in SAP Business One, an SAP ERP solution focused on Mittelstand companies
- The company has been a certified SAP and Microsoft Gold Partner for years
- Hövermann is the largest full-service provider of its region with its IT services and IT consulting offering and its expertise in SAP Business One
- With a staff of some 55 employees, the company is focused on small and midsized corporate customers and has generated annual revenues of some € 9m in the last reporting period
- This acquisition strengthens DATAGROUP's footprint in North Rhine-Westphalia and expands its SAP expertise in SAP Business One

New Acquisitions in 20/21: dna GmbH

- Acquisition of 100% of the shares in dna Gesellschaft für IT Services mbH based in Berlin, Hanover and Oldenburg
- dna is specialized in services and user support for IT infrastructures and IT applications, expecially for the financial services companies of the German Sparkassen Finanzgruppe
- DATAGROUP Banking & Insurance IT Services (BIT) was established together with DATAGROUP BIT Düsseldorf (previously DATAGROUP Financial IT Services) and DATAGROUP BIT Hamburg (previously Portavis), which resulted in significant synergy potential for the services provided to our customers from the banking and financial services sectors
- Has 104 employees and generates revenues in the high single-digit million euro ranges in the current fiscal year
- Change of name to DATAGROUP BIT Oldenburg GmbH in December 2021

New acquisitions in 20/21: URANO Informations systeme GmbH

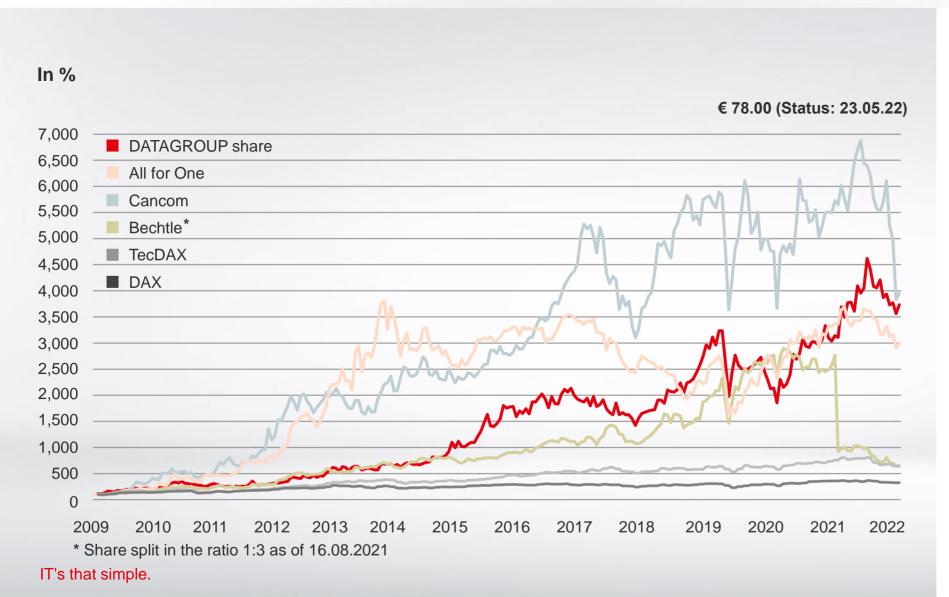

- Participation agreement for the acquisition of 70% of the shares in URANO Informations systeme GmbH and for the remaining 30% in 2023
- URANO has roughly 300 employees providing IT services for private sector and public sector organizations.
- The company has thirty years of experience and has been a reliable partner for public authorities in Hessen and Rhineland-Palatine for years
- The acquisition was a classical win-win situation:
 - CORBOX expands the portfolio of URANO, for instance by SAP and Security Services
 - DATAGROUP strengthens its footprint in Hessen and Rhineland-Palatine and expands its portfolio by interesting solutions, for instance in the school system
